# Evaluation Report

Solid Waste Management Project

# **Evaluation of Solid Waste Management Project**

14<sup>th</sup> March 2017, Salesian College Siliguri Campus: The evaluation and the conclusion of the SWMP took place in the AV hall from 11:30am. The project coordinator Fr. Aju congratulate all the members who worked under the project for having been successfully completed the project on time. Fr. Mathew Pulingathil, Rector Salesian college Siliguri started the session of evaluation with a prayer and his fruitful message. The faculties who worked under the project shared their experiences of working in collaboration, cooperation and effective leadership. They had shown the PPT of how the work was done with the project since inception. 40 volunteers participated in the concluding phase of the project. Each of the volunteers shared their experiences. Finally, the concluding session ended with distribution of certificates. After a group photo all went to have lunch and the programme ended at around 2pm.
